

Gumtree Canoe

[G]On the Tom Bigbee river so [C]bright I was [G]born
In a [G]hut made of husks of the [D7]tall yellow corn
An [G]there I first spied my [C]Julia so [G]true
An I [G]rowed her about In my [D7]Gum Tree Ca[G]noe

[Chorus]

Singing [G]row away row, O'er the [C]waters so blue
Like a [D7]feather we'll float, In our gum tree ca[G]noe
Singing [G]row away row, O'er the [C]water so blue
Like a [D7]feather we'll float, In our gum tree ca[G]noe
[inst over verse prog.]

[G]All day in the fields of soft [C]cotton I'd [G]hoe
An' I'd [G]think of my Julia and [D7]singin' as we'd go
An' I'd [G]catch her a bird, with a [C]wing of true [G]blue
An' at [G]night sail around in my [D7]gum tree ca[G]noe

[Chorus] [inst over verse prog.]

With my [G]hands on the banjo and a[C]toe on the [G]oar
I'd sing to the [G]sound of the [D7]rivers soft roar;
While the [G]stars they looked down on my [C]Julia so [G]true
An' [G]danced in her eyes in my [D7]gum tree ca[G]noe

[Chorus] [inst over verse prog.]

One [G]day the stream bore us [C]so far a[G]way,
That we [G]couldn't come back so we [D7]thought we'd just stay,
Then, we [G]spied a tall ship with a [C]flag of true [G]blue,
And it [G]took us in tow in our [D7]gum-tree ca[G]noe.

[Chorus] [inst over verse prog.]
