Earlye in the morning.

Way hay and up she rises

Put him in a long boat till he's sober

Put him in the scuppers with the hosepipe on him,

Hoist him aboard with a running bowline,

Put him in the brig until he's sober,

Make him turn to at shining bright work,

Put him in the bed with the Captain's daughter,

Shave his belly with a rusty razor,

What shall we do with the drunken sailor,
